

## Royal Montrose Mercantile

### Match Secretary Update - 2nd June 2024

The gents club championship scratch and handicap matchplay events have been drawn and sent out to the qualifiers.

I will post up the draws and also the qualifying scores on the gents noticeboard shortly.

The weather certainly played a significant part in the outcome of this years event and i can only apologise for that but obviously have no control over the weather.

There are still plenty of spaces available for the RMMGC Club Gala Day Texas Scramble taking place on Saturday the 8th June on both courses.

The draw will take place on Wednesday 5th June and posted to the noticeboard shortly after.

Food will be available to all players after the game and there will be a raffle and prizes for the best team and nearest the pins etc. Also, there will be some light musical entertainment, so, get your name down for an enjoyable day out.

There is no medal or sweep on the day and no priority times before the Texas Scramble.

I am looking for volunteers to help out with the day to register the players and to sell raffle tickets etc so if you feel you can help out on the club day then please reply to me.

I am also gladly accepting donations for the raffle and would appreciate anything to be handed into the club either behind the bar or to the main office.

Regards,  
Match & Handicap
