Match Secretary Update - 10th Jan 2025

The Eclectic 1 draws to a close with congratulations going to Marc Simants for winning both the gross and nett. All scores are posted to the gents noticeboard.

Eclectic 2 begins on Saturday 11th January 2025 and will run for 11 weeks taking us nicely to the Captain V Vice Captain on Saturday 29th March.

Some of you may have noticed that there has been a sweep payout to the best gross score each week of the eclectic, this will continue for the Eclectic 2 and also will continue throughout the summer season for every medal.

With all the ongoing works being carried out by the MGLL on the 1562 it should be noted that the following rules will be in play for the entire Eclectic 2 period.

- 1) All bunkers are GUR, relief to be taken at the nearest point no nearer the hole.
- 2) If your tee shot from the 3rd tee lands on the construction area at the 4th tee then relief must be taken from the 3rd winter tee.
- 3) If your tee shot from the 16th tee lands on the construction area at the 4th tee then relief must be taken from the 4th winter tee. Obviously this tee is in use for players on the 4th so priority should be given to the players playing the 4th hole.
- 4) Any areas where the MGLL have removed gorse bushes and have roots showing, i.e. 5th green area, in front of the 12th tee, 15th tee and currently between the 7th and 8th holes and any other areas that may arise, in the interests of safety to players these areas are to be treated as GUR, relief must be taken at the nearest point and no nearer the hole.

The 2025 fixture list has been posted to the gents noticeboard.
